

# Bandit 1200S

# Setting the Standard for Big-Bore Muscle-Bike Enjoyment

Catch the Bandit 1200S – you'll find a huge reward waiting. A stunning punch and exhilarating mid-range flexibility from its 1200cc in-line Four. Superb cruising stability on the highway, together with cornering agility that belies its size and delivers lightning reflexes on a winding back road.

Taut, sporty lines and rugged good looks that command instant respect on any street corner.

Distinctive half-fairing housing dual projector headlamps and incorporating a comfort-enhancing vent design.

Comfortable riding position with a generously padded, expansive 2-person seat. Ride the Bandit 1200S, the most "wanted" big-bore bike in town.

## Bandit 1200S (GSF1200S)

YAU : Metallic Barrel Gray

Dual projector headlamps

Easy-to-read chrome-cased instruments

Stainless steel muffler

- 1,157cc, DOHC in-line Four, air-cooled with SACS engine tailored to offer accessible high performance, with special emphasis on exhilarating mid-range torque delivery.
- Smooth-responding MIKUNI BSR36 carburetors, digital 3D ignition mapping and a throttle-position sensor together ensure precisely optimized ignition timing and fuel metering for every combination of engine speed and loading.
- Suzuki PAIR (Pulsed-secondary Air-injection) system effectively reduces exhaust emissions.
- The newly designed stainless steel muffler contains the catalyzer to clear the Euro2 emission regulations.
- Front fork with built-in protectors and rear suspension damper with gas/oil separator are tuned for a superb blend of riding comfort and precise cornering feedback.
- Twin front disc brakes with six-piston calipers; single rear disc brake.
- The shapely fuel tank holds 20 litres.
- Generously padded and roomy 2-person seat. Low 790mm seat height. Underseat storage area. Four bungee hooks. Well-shaped one-piece grab bar.
- Comprehensive instrumentation with highly precise stepping-motors, and digital fuel gauge, odometer, trip-meter and clock readouts.
- The half fairing has a vent that reduces turbulence and enhances rider comfort by creating a "bubble" of stable air behind the windscreen.
- Dual projector headlamps; twin-bulb, multi-reflector tail lights.

YD8 : Metallic Sonic Silver

### Bandit1200S (GSF1200S) SPECIFICATIONS

Engine type	4-stroke, 4-cylinder, air-cooled, DOHC	
Piston displacement	1,157 cm <sup>3</sup> ( cc )
